

## Permission Agreement for Solicitation

This credit union hereby authorizes the League or America’s Credit Unions, if the League delegates its solicitation rights to America’s Credit Unions, to solicit the credit union’s members and executive or administrative personnel for contributions to the America’s Credit Unions PAC and/or the League’s Federal Political Action Committee (PAC). Neither the League nor America’s Credit Unions may, however, send general solicitation mailings directly to our members. Instead, general solicitation materials must first be sent to the credit union board, which shall decide whether to redistribute them.

The credit union may only grant permission to solicit its members to one trade association per calendar year, and credit union approval is necessary before League, America’s Credit Unions, and/or the PACs may conduct a solicitation. The credit union grants its permission to America’s Credit Unions and the League for each of the years indicated below. The credit union has not approved a solicitation from any other trade association for these years.
