### Senator Thom Tillis (R-NC)

#### Tax Status

- Inquire about the possibility of another reconciliation bill where altering existing CU tax status could be raised as a potential pay-for.

#### Interchange

- Several Senators recently cosponsored S.3623, the *Credit Card Competition Act*. Has there been any discussion about further action on the bill outside of sponsors continuing to try and include language in larger, must-pass legislation?

#### Fraud/Cybersecurity

- Cosponsorship Request - S. 2019, the *TRAPS Act* (Crapo) would establish a Treasury-led task force to study scams and recommend prevention measures.

#### Regulatory Reduction

- Emphasize importance of maintaining a strong and independent NCUA.
- Cosponsorship Request - S. 3616, the Expanding Access to Lending Options Act (Cramer) would allow the NCUA to increase federal credit union loan maturity caps from current 15-year limit to 20, or more if deemed appropriate.
- Cosponsorship Request - S. 2918, the *STREAMLINE Act* (Kennedy) would increase the CTR threshold from \$10,000 to \$30,000. Is still not properly adjusted for inflation but is a good start.

#### Ensure a Robust CDFI Program

- Emphasize the benefits of the program. Highlight personal anecdotes and member experiences.
- Cosponsorship Request - S. 2704, the *CDFI Fund Transparency Act* (Sen. Daines) would increase transparency and accountability within the CDFI Fund by requiring annual testimony before Congress regarding the Fund's operations and activities.

##### Fraud/Cybersecurity

- Cosponsorship Request - H.R. 9668, the *STOP Senior Fraud Act* (Don Davis) would allow financial institutions to refuse or temporarily delay certain transactions when they reasonably believe the transaction involves the financial exploitation of an older adult or vulnerable person.
- Cosponsorship Request – H.R. 4936, the *TRAPS Act* (Nunn) would establish a Treasury-led task force to study scams and recommend prevention measures.

##### Regulatory Reduction

- Emphasize importance of maintaining a strong and independent NCUA.
- Cosponsorship Request – H.R. 4167, the *Expanding Access to Lending Options Act* (Fitzgerald) would allow the NCUA to increase federal credit union loan maturity caps from current 15-year limit to 20, or more if deemed appropriate.
- Cosponsorship Request - H.R. 1799, the *Financial Reporting Threshold Modernization Act* (Loudermilk) would increase the CTR threshold from \$10,000 to \$30,000. Is still not properly adjusted for inflation but is a good start.
